

# University of Montana

POWERED BY **REHAB ESSENTIALS** IN ASSOCIATION WITH **IPTA**  
PRESENTS

## POST PROFESSIONAL/TRANSITIONAL DOCTOR OF PHYSICAL THERAPY PROGRAM

**Excellent opportunity for aspiring Indian  
Physiotherapists looking to get an advanced degree from  
the USA and looking forward to pursuing a career in the USA**

# OVERVIEW OF POST PROFESSIONAL/ TRANSITIONAL DOCTOR OF PHYSICAL THERAPY

**Ingenious Physical Therapy Associates** in collaboration with **University of Montana** and **Rehab Essentials, USA** is making **Doctor of Physical Therapy Degree** accessible for Indian Physiotherapists at an affordable price.

University of Montana was founded in 1893 and is a reputable public university.

Doctor of Physical Therapy is the clinical degree offered in the USA for Physical Therapists.

IPTA will also provide additional onsite mentoring from local IPTA-satellite centers in India apart from direct support from University of Montana professors and other university resources.

IPTA is equipped to guide the students through the complete process of credential evaluation, credit deficiency fulfillment through a Bridge Program, NPTE Exam preparation, VISA guidance and also will provide jobs in USA post completion of tDPT and licensing Exam. IPTA will also have opportunities for the tDPT graduates to work as mentors for the program in India.

## ELIGIBLE STUDENTS:

BPT , MPT From Indian Physiotherapy College/University

## ENROLLMENT: Each Year 3 Intakes

- 1 Spring semester/January Intake,
- 2 Summer semester/April Intake and
